

# PETRO STOCK POLYCARBONATE TUBING

## Petro Polycarbonate Tubing Available from Stock

Petro now offers FDA Grade Polycarbonate tubing available off-the-shelf for immediate delivery. Our clear polycarbonate tubing is high quality, impact-resistant, and well suited for a variety of applications where clarity and strength are critical. The round tubing is offered in standard eight foot lengths, the square tubing in six foot lengths. Several sizes are available in shorter cut lengths; please contact our sales staff for specific size availability.

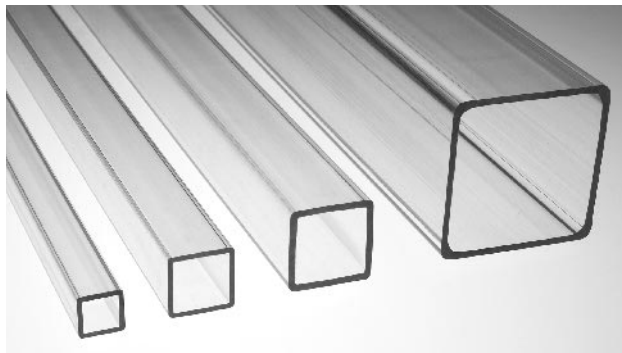

### ROUND POLYCARBONATE TUBING SIZES 8 FOOT LENGTHS

| Part No. | ID (In.)                      | OD (In.)                      | Wall (In.) | Part No. | ID (In.)                      | OD (In.)                      | Wall (In.) |
|----------|-------------------------------|-------------------------------|------------|----------|-------------------------------|-------------------------------|------------|
| PC-01    | 1/4                           | 3/8                           | .062       | PC-18    | 4 <sup>3</sup> / <sub>4</sub> | 5                             | .125       |
